Direct Cremation

We provide complete care in one convenient location. Our Direct Cremation packages offer a simple, dignified, and affordable alternatives to a traditional funeral, with your loved one respectfully cared for throughout every stage of the process. We offer two Direct Cremation package options, designed to give families peace of mind and compassionate support without compromising on service.

Unattended Direct Cremation

£1,495

Our simplest and cheapest cremation package, allowing families the freedom to hold a personal memorial at a time and place that feels right to them.

We will let you know once the cremation date has been arranged, so you can choose to mark the occasion in a way that feels meaningful for you and your family.

For this option there are no mourners present, instead families can walk our grounds for a moment of peaceful reflection whilst the cremation takes place.

Attended Direct Cremation **£1,895**

Mourners gather under the porch at the chapel entrance of Northumberland Crematorium, where the coffin sits on the antique wheeled bier for a moment of reflection, accompanied by a piece of music chosen by family.

The coffin is then wheeled into the chapel, where a second piece of music is played as the coffin is laid to rest in the alcove under dimmed lighting.

No mourners enter the chapel, and once the music concludes, the chapel lights are dimmed and the doors closed.
